I am currently working as an Assistant Professor and Head in the Department of Psychology, A. S. College, Bikramganj (Rohtas) Bihar. My research interest is to explore individual differences in various cognitive processes using memory recognition. During these years, I am consistently and actively involved in various conferences and workshops to learn more & more knowledge from the experts. I have completed Ph.D. degree entitled "*Effect of Emotional Valence on recognition memory of affective pictures under intentional and incidental encoding*" from Department of Psychology, Banaras Hindu University, Varanasi.
